About IMA

IMA is a niche economic, business and market research firm that provides insights and analysis to top management audiences in India through multiple channels. For nearly 30 years, IMA's research and opinion have informed the perspectives of investors, industry and government.

IMA operates one of the country's largest peer group platforms for top business executives, comprising more than 2,500 Indian and global business and functional leaders from over 1,500 member companies. Since 1994, it has developed an unmatched capability to harness and distil collective wisdom, enabling industry leaders to interpret changes and forecast developments in the operating environment through authoritative guidance. IMA publishes in-depth reports on macroeconomic, industry and thematic subjects as well as benchmarking studies on functional and management issues.
